June 2022

The leadership Conferences in Malawi and Zambia for FCE alumni were blessed. God has raised our students as worthy disciples. Continue to pray for them in their journey to make disciples in the schools, businesses, work places and ministries where they are involved.

5

We are often in difficult situations. We have to draw from our relationship with God, to bring change. The war in the Ukraine and the results of this war influence all nations. Pray God raises us up and gives us His strategies how we should initiate His CHANGE.

6

Our goals with the Discipleship training is to: make disciples who grow in their relationship with the triune God; apply His kingdom principles; experience freedom in Christ; establish a God-Centred worldview; know the Bible as their foundation and to reach out to the nations.

7

Pray for Carel Els and his team in Zimbabwe who have many challenges with a DMT-group who cannot speak or understand much English and who do not have knowledge of the Word. Pray for patience and creativity and a powerful working of the Holy Spirit.

8

BirthDay: Christine, Malawi

9

The Europe Conference starts today with the theme: The Greatness of God : Look, Listen and Learn. Ask the Holy Spirit to open our eyes, ears and understanding of the greatness of God and His desire to equip His church to represent Him as the only Way, Truth and Life !

10

Thank God for the steady flow of visitors at the King's Highway Rest camps at Okahandja, Kalungu and in Malawi. Thank God for Cecile, Aletta , Esté and their teams who manage it. Ask God to sent more tourists as the income helps to finance the entities.

11

Pray for Piet and Elma's flight home after a visit with their family in Australia. Ask God to comfort them as they say their good-byes. Thank the Lord for their hearts for Christian education. Pray for wisdom as they return to equipping teachers for Christ-centred Education.

12

Celebrate with us for those students in the DMT at Kalungu who surrendered their lives to the Lord. Pray for their spiritual growth, love for the Word and a daily revelation of Him as they grow into discipleship. Ask God to use their testimonies to reach their families and friends.

13

Pray for the DMT in Uganda where Sulene, Jannie and Moses establish the discipleship goals in the students. Pray the Holy Spirit moves in their hearts and minds so that they will understand the ways of the Lord and be filled with a desire to know and serve Him.

14

4 children from Chukudum in Sudan re attending the DMT in Uganda. Ask God to use them as part of His discipleship vision for East Africa. Continue to pray for the physical, social, emotional, mental and spiritual needs of the children and staff of Bushfire school.

15

16 BirthDay: Bernice, Haggai

BirthDay: Jeanvion, Gateway

17

Jordan and Elizabeth Mackley enjoy the fellowship of family and friends in Australia. Pray for safety on a road trip as they visit FCE supporters and ex-students. Ask God to keep them safe and to use them to encourage others as they testify of God's goodness.

18

Pray for Senti and Zuske from Nagaland. They established a school in their village. Thank the Lord for a devoted teacher who joined them. Pray for the many challenges they face as many parents do not know God. May God open their eyes to the Truth through their children.

19

The Haigai Team are training Module 2 of the DMT course for teachers from Eagles Nest and Rabonni in Brits. Piet/Elma/Reinette/Bernice and Zhak are the co-ordinators. Pray for God's wisdom and strategy to encourage and equip the teachers to make God known.

20

21 BirthDay: Celia, Kalungu

Pray for Neels who is undergoing an operation today. Join us as we declare God as His Healer. Ask God for peace and faith in his heart. Pray for the procedure and the medical staff. Pray for a quick recovery and complete healing.

22

Pray for Boet, Celia and Tanya who are involved in the Agriculture programme in Kalungu. The students are trained to put food on their tables. Thank God for the selling of fruit trees and for the success in training them to dry herbs and vegetables which they use in the kitchen.

23

Hester works in the communities at Wolseley. Pray for provision to help those who suffer during the cold winter. Ask God to bless her with wisdom for parents who are desperate because of their children's substance abuse and rebellion. Pray for the restoration of families.

24

Nita is working on a maths curriculum booklet, and she needs God's wisdom re what to include/exclude. She is grateful for the quiet beautiful farm where she stays with family, but prays for more opportunities to connect with the wider body whom she misses.

25

Pray for the Eagles Nest learners and teachers from Polokwane who are on an outreach to Kalungu. Pray for travels, health, protection and provision. Ask God to open the eyes of the learners to a world that is in need to know and love God.

26

BirthDay: Elsa, Haggai

27

BirthDay: Eunice, Zimbabwe

28

Thank the Lord for the ministry of Elpela at Gateway. May relationships be strengthened and God be glorified through creativity and adventure. Pray for Etienne and Sumarie who are in the pioneer phase of what the Lord has revealed to them.

29

Join us in prayer for those who partner with us through prayer, finances and encouragement. It enables us to fulfil our calling to glorify God as we disciple the nations. May the Lord bless them for their commitment and their obedience as encouragers.
