Please keep FCE Support Team in your prayers during this month as we are moving to Pringle Bay. **From 15—25 September we will be out of reach as we move our offices.** But all of us will be available on our personal cell phones. **1**

Carry the Page family in your hearts. Joe's father is in hospital after having his leg amputated. Pray for Joe who is with him and for Aletta who remains in Kalungu with the kids. Ask God to comfort them and to give them peace. Thank Him for the support of loved ones. **2**

The Kalungu team continues with discipleship training that incorporates agricultural training. The 1st years are starting with food security. Pray for those who completed their training to go back to transform their communities and restore God's glory. **3**

Thank the Lord for providing for Cecile, the De Jager's daughter from Namibia, to fly to SA to help her parents for the move to Pringle Bay. Pray for Sylvia who remains at the King's Highway Rest Camp in Namibia while Cecile is away. Pray for her family who stays behind. **4**

Grade 12 students of Malawi are writing their final exams. Many do not know what to do after completing school and they do not have the means for further studies. Pray that they will seek God's purpose for their lives and for opportunities for us to disciple them. **5**

The Lord has opened doors for FCE staff to upgrade their diplomas through further studies. Thank God for those who successfully completed their studies. Pray for perseverance for Bernice who is busy with her last assignment. Ask God to reveal His plan through this. **6**

The Sudan Team is faithfully standing in faith and trust, to face all the challenges to take care of the children of AGCM. Pray for John as he trains other South Sudanese in foundations for farming and establishes food security for the children. Praise God for His provision. **7**

Pray for Hester who is departing from Bloemfontein to Wolseley. Thank the Lord for her servant heart as she nursed Elma after a successful knee replacement. She is much loved in the Wolseley community and leaves a huge gap when we move. **8**

Birthday: Etienne, Elpela

The FCE alumni in Malawi are eager to reach, train and disciple students from other religious groups. Pray for wisdom, protection and God's supernatural intervention. They have amazing testimonies of how God reveals Himself to those who are truly seeking Him. **10**

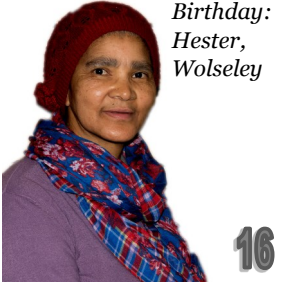

Some of the alumni from Namibia, Jesaja, Elieser and Jeremia are en-route to South Africa to help FCE support to move. For them this is a first time in South Africa. Thank the Lord for their servant hearts. Pray for a safe journey and ask God to bless them abundantly. **11**

The Malawi-team is making God known through the weekly children's, women's and men's Bible studies. The need for Bibles in the native languages are becoming bigger. Trust God for finances and ways of sourcing Bibles for the people of Malawi. **12**

Thinus, Piet, Willie, Reinette and Nita are writing curriculum material and manuals for the King's Institute. Pray for wisdom and insight and how to reveal God's purpose for Christ-Centred education in their modules. Also pray for the registration of this institution. **13**

Eunice from Zimbabwe completed her studies and she is now empowered to help children in schools with remedial needs. This opens doors for the team in Zimbabwe to enter schools with the gospel. Ask God to give them favour and opportunities to make Him known. **14**

Etienne and Sumarie are recovering after the challenging cycling adventure through Malawi. Please pray for Etienne's residence permit and the finances needed for that. They also trust the Lord to complete their home so that they will be able to move in soon. **15**

Birthday: Hester, Wolseley

Pray for Melvin and Loretta who work alongside Wilderness Therapy to reach wounded children from schools in Namibia. Pray God brings complete healing and restoration in the children, in order for them to follow Christ wholeheartedly. **17**

Jannie and Elise are organizing an outreach to North Africa from 23rd Oct. to 6 November. This is a follow-up on previous outreaches. Pray for the logistics, the strategies, and the finances. Ask the Lord to prepare hearts and to open doors in this faith venture. **18**

Pray for the Haggai team who starts with the last module of the discipleship training of the Eagles Nest and Rabonni teachers. Ask God to give them His passion to reach each child in their classroom to know Christ and to prepare them to live for His glory. **19**

Today the FCE Support team moves all their belongings to Pringle Bay. Pray for sound minds and peaceful hearts. Thank God for a blessed 20+ years in the Wolseley Community. Pray for safety and that the move will happen without unnecessary incidents. **20**

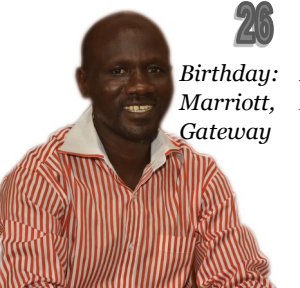

It becomes difficult for Christians world-wide to publicly speak about their faith due to secularism. Pray for Mathilde from Holland to be a light in her home country. Pray for boldness, courage and integrity to share the truth with wisdom and in love. **21**

Praise the Lord for the many opportunities for Charl and Annatjie from Bela-Bela to conduct discipleship training in different churches. God is releasing them to boldly challenge the organised churches in South Africa to move from membership to discipleship. **22**

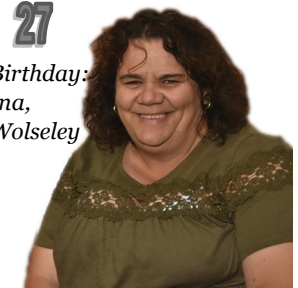

FCE is celebrating its 32nd birthday tomorrow. Pray the Lord to secure His heart for the lost in us. Pray for continuous growth in Christ-likeness. Thank you for your support through all these years that enabled us to do hope-giving training that glorifies God. **23**

Staff members who served in a country where they cannot freely proclaim their faith are leaving after 20 years. Praise God for their faithfulness and commitment. They will continue to serve the Lord in a ministry run by their family in SA. Pray for a smooth entry into the new. **25**

Birthday: Marriott, Gateway

Birthday: Ina, Wolseley

After serving for 23 years in FCE, Carel and Rentia Nel resigned. For the past three years they have experienced that the Lord is nudging them to trust Him for something new. When the move to Pringle Bay became a reality they knew now is the time to let go. **28**

Please pray for the Nel family who has to take faith steps into their future. At present they create a safe place for Karli, their daughter, who is writing matric. Ask the Lord to guide them in wisdom for the way forward. Their leaving is a loss for our ministry. **29**

The UFCE has come to the end of a 25-journey in training Christ-centred teachers. Praise God for the faithful lecturers who invested themselves in the students. Pray that the work now continues through the ministries of those trained and disciplined to bring in a harvest. **30**
