

Sunday May 2023

Birthday:
Janine,
Pringle Bay

Today the **DMT Advanced training** will start at **Gateway, Zambia**. This training was developed for disciples who have answered the call to go and make disciples themselves. Pray that the Holy Spirit will reveal Himself in the students' lives.

Teachers who were trained by FCE College and UFCE, are teaching in countries throughout **Africa, Australia, South-East Asia, the Middle and Far East**. Pray that they will stay true to the vision of making disciples while having God's heart for education.

28

Monday

Our hearts are still heavy with grief after saying goodbye to Neels, our vision leader, founder of FCE, father, friend, mentor and much more. In the spirit of yesterday's gathering, let us continue to glorify and exalt Jesus Christ even in the valley.

1

There are many people who did the Discipleship training with FCE over the last 32 years, who have been called to start their own ministries or joined **other ministries across the globe**. Pray for those who might feel discouraged or alone.

8

Pray for **Gateway Christian School in Zambia**: that God will send in teachers with God's vision in their hearts. Pray for wisdom and strategies to become more self-sustaining and that the Lord will transform the hearts and minds of the learners.

15

South Sudan: Many teachers were impacted through the ministry of FCE in South Sudan. It all started when Neels was obedient to go into that war torn country in 2000. From that one step, scores of South Sudanese were and still are being discipled.

22

Birthday:
Sulene,

29

Tuesday

Let us all continue to carry **Anita** in prayer. Although Neels had been a father, friend, mentor, brother to many, he was husband to only one wife. Pray that the Lord will reveal Himself to her, hold her close and guide her daily in each decision.

2

Sulene and Chiko started off the DMT in **Uganda** on 1st of May. They have welcomed our first participants from **Rwanda!** Praise God for yet another people group added to the work He is doing through FCE, as a result of Neels's obedience.

9

5 New Agriculture students started their training on 1 May at **Kalungu Training Centre in Zambia**. Kalungu was established in 2000, and many souls have been led to the Lord and discipled since then. Pray for much fruit from old and new seed.

16

Continue to thank the Lord for **Amazing Grace Children's Ministry in South Sudan**. Please pray for Simon, Hector, John and their co-workers who are running a school and orphanage near Chukudum. The dormant seeds are germinating!

23

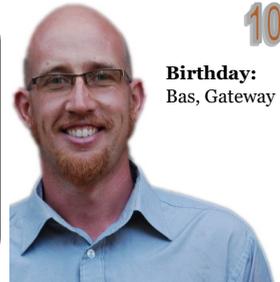

In a world deeply affected by rampant corruption, crime, immorality and evil, we need to remain **people of hope**, bearing the Light of Christ and directing the hopeless to **Jesus, our only hope of glory**. Let us honour Neels's legacy in this way.

30

Wednesday

Please keep Neels's children **Corné, Lodewyk and Cecile**, their spouses and his grandchildren in your prayers. They have lost a loving father and grandfather who gave them the love of Jesus and showed them the father-heart of God.

3

Birthday:
Bas, Gateway

10

Hundreds of people from **Europe** have been touched by Jesus as a result of the relationships that Neels built and maintained over more than 30 years of ministry. Pray that those whose minds have been renewed, will remain faithful to the Truth.

17

Pray for the DMT that is currently being presented at our Florence Bay Training Centre in **Malawi**. The seeds that have been planted years ago by Neels and others, are growing and starting to bear much fruit.

24

"Should this life/ bring suffering/ Lord I will remember/ What Calvary has bought for me / both now and forever." Let us continue to **keep our eyes on the Cross**, and pray that those who are suffering will see Jesus in the midst of their pain.

31

Thursday

The Lord had used Neels to impact the lives of numerous people. Pray that **the vision of Jesus Christ, making disciples** through us, continues to live in all who have been touched by his life, his obedience, his example of humility and his Godly leadership.

11

Thank the Lord for many disciples of Jesus Christ who have been **giving selflessly** and have **supported** Neels and FCE faithfully over many years. They are from all over the world — too many countries to mention. Pray that the Lord will bless them.

18

Pray for the new **youth group** that was started at our **Malawi** centre: for meaningful relationships reflecting the character of Christ. Stand with **FCE alumni in Malawi** serving in various schools and organisations that they may draw men unto Him.

12

Today and tomorrow a **Leadership towards Discipleship** seminar will be presented in **DRC** by Jannie, Jeanvion and Moses. Please pray for wisdom and Godly connections as they minister to the body of Christ in DRC.

Pray for the workers in **North Africa** who were discipled by FCE and who have answered the call to serve in countries where the Gospel is not welcomed yet. Pray for their protection, the relationships they build and wisdom in sharing Jesus.
